

Exportable Information into the FCI System

DCFS information is available for all children for whom reports of child abuse or neglect have been received and for whom an investigation has been completed. An exception is in cases where the investigation concluded that the allegations were unfounded. Incident information will be provided at the time of the Emergency Response referral closure.

The following list provides information detailing what each agency is required to export into the system. The DA will export information to FCI relative to the following circumstances when the following violations of the PC are alleged in the complaint:
