*Training is necessary to ensure child safety in the home and does not imply that the caregiver will be denied Dual Agency rate.

**Training may be recommended to ensure child safety in the home and does not imply that the caregiver will be denied Dual Agency rate. Refer to Procedural Guide 0900—511.12, Dual Agency rate, for more information. For a child receiving a SCI F rate, refer to training criteria/guidelines as set forth by Procedural Guide 0900-522.11, Specialized Care Increment (SCI) F-Rate
